|----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| 1  | Analysis of the Capacity of the Regional Government of Mahakam Ulu Regency in Realizing Environmentally Sound Education in Border Areas or 3T (Disadvantaged, Frontier, Outermost)<br>By: Cecilia Erika Marthina <sup>1</sup> , Iman Surya <sup>2</sup> , Jauchar B <sup>3</sup><br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.12920">https://doi.org/10.53625/ijss.v6i2.12920</a> | 585-592 |
| 2  | Collaborative Governance In Handling Urban Social Conflict: A Case Study Of The Role Of The Jakarta Provincial Government In The Manggarai Area<br>Oleh Muhamad Sirod, Nefra Firdaus, Anang Puji Utama, Panji Suwarno, Arifuddin Uksan<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13116">https://doi.org/10.53625/ijss.v6i2.13116</a>                                           | 593-604 |
| 3  | The Influence Of Digital Marketing On Consumer Buying Interest In Rendang<br>Tiara Smes<br>By: Agus Nurofik, Ernani Hadiyati, Dwi Orbaningsih, Rosidi<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13118">https://doi.org/10.53625/ijss.v6i2.13118</a>                                                                                                                            | 605-612 |
| 4  | Compliance Behavior Of Elementary School Children In Mbg Programs: A Study Of Individual And Environmental Determinants<br>By: Munawwarah, Yusriani, Muh. Khidir Alwi<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13105">https://doi.org/10.53625/ijss.v6i2.13105</a>                                                                                                            | 613-616 |
| 5  | Becoming The Self Without Cigarettes: A Hermeneutic Phenomenological Interpretation Of Ex-Smokers' Life Experiences<br>By: Alimin Hamzah, Yusriani, Arman<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13119">https://doi.org/10.53625/ijss.v6i2.13119</a>                                                                                                                        | 617-630 |
| 6  | The Effect Of Health Promotion On <i>Problem Based Learning</i> And Peer Education Methods On Clean And Healthy Living Behavior Of Bkmf Fikk Unm Students<br>By: Nur Indah Atifah Anwar, Yusriani, Sumiaty<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13120">https://doi.org/10.53625/ijss.v6i2.13120</a>                                                                       | 631-636 |
| 7  | Development Of A Web-Based Atm Log Validator Application For Failed Cash Withdrawal Transaction Validation And Filtering<br>By Berthine Saul Yuniur Wabia<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13121">https://doi.org/10.53625/ijss.v6i2.13121</a>                                                                                                                        | 637-644 |
| 8  | Overview Of Sedentary Behavior And Physical Activity Level In Fikk Students, State University Of Makassar<br>By: Muh. Ilham Aksir, Yusriani, Abdul Gafur<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13122">https://doi.org/10.53625/ijss.v6i2.13122</a>                                                                                                                         | 645-650 |
| 9  | A Case Study Of Top Lordotic Chest Radiography Examination In Tuberculosis Cases At The Radiology Installation Of Universitas Gadjah Mada Academic Hospital<br>By: Zalfa Zahirah Indrawiguna, Asih Puji Utami, Sofie Nornalita Dewi<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13123">https://doi.org/10.53625/ijss.v6i2.13123</a>                                              | 651-664 |
| 10 | Pediatric Lopography Radiographic Examination In A Pre-Stoma Closure (Ileostomy) Case At The Radiology Department Of Rsud Dr. Soeselo Of Tegal Regency<br>By: Hikmatul Insani, Retno Wati, Muhammad Za'im<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13124">https://doi.org/10.53625/ijss.v6i2.13124</a>                                                                        | 665-686 |

|    |                                                                                                                                                                                                                                                                                                                                                                                     |         |
|----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| 11 | Reintegration As A Pillar Of National Resilience: Failed Reintegration As A Strategic Vulnerability Exploited By Non-Traditional Security Threats In Post-Conflict Aceh<br>By: Satya Adhie Wibowo, Septiar Dwi Putra, Nefra Firdaus, Harri Dolli Hutabarat, Arifuddin Uksan<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13126">https://doi.org/10.53625/ijss.v6i2.13126</a> | 687-698 |
| 12 | Standardization And Phytochemical Testing Of Purple Leaf Simplicia ( <i>Graptophyllum Pictum</i> )<br>By: Farah Aulia Azzahra, Heldi Candra<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13167">https://doi.org/10.53625/ijss.v6i2.13167</a>                                                                                                                                 | 699-708 |
| 13 | Standardization And Phytochemical Test Of Red Betel Leaf Simplicia ( <i>Pipper Ornatum</i> )<br>By: Riza Vetisari, Heldi Candra<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13168">https://doi.org/10.53625/ijss.v6i2.13168</a>                                                                                                                                             | 709-718 |
| 14 | Preparation Of Simplicia And Testsspecific And Non-Specific Parameters Of Celery Mustard ( <i>Cyanthilium Cinereum</i> )<br>By: Imalia Tiranda <sup>1</sup> , Heldi Candra <sup>2</sup><br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13169">https://doi.org/10.53625/ijss.v6i2.13169</a>                                                                                     | 719-728 |
| 15 | Deforestation in the Short Story "Curse of the Teak Dragon" by Teguh Satriyo<br>By: Iwan Sulistiawan<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.11382">https://doi.org/10.53625/ijss.v6i2.11382</a>                                                                                                                                                                        | 729-734 |
| 16 | Implementing The Stop Technique (Stop, Take A Deep Breath, Observe, Proceed) As A Cognitive Pause Strategy In Senior High School English Language Learning<br>By: Mutiara Aulia<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13180">https://doi.org/10.53625/ijss.v6i2.13180</a>                                                                                             | 735-742 |
| 17 | Case Study of <i>Appendicogram Examination Technique</i> With Clinical <i>Appendicitis</i> at The Radiology Installation of RSU Aisyiyah Ponorogo<br>By: Dinda Sri Wahyuni <sup>1</sup> , Asih Puji Utami <sup>2</sup> , Djoko Sukwono <sup>3</sup><br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13181">https://doi.org/10.53625/ijss.v6i2.13181</a>                         | 743-760 |
| 18 | Patterns of Shade Space Utilization Based on Spatial Distribution and User Activities<br>By: Nurdiah Yusuf<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13188">https://doi.org/10.53625/ijss.v6i2.13188</a>                                                                                                                                                                  | 761-780 |
| 19 | Legal Protection Of Defendants When The Mens Rea Element Is Not Proven: A Criminal Law Perspective In Indonesia<br>By: Muh.Noerul Insank Nasrudin <sup>1</sup> , Tofik Yanuar Chandra <sup>2</sup> , Mohamad Ismed <sup>3</sup><br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13239">https://doi.org/10.53625/ijss.v6i2.13239</a>                                             | 781-790 |
| 20 | Effect of Feed Additive (Grow Bac Premix) in Feed on the Carcass Percentage of Brahman Cross (Bx) Cattle Carcasses<br>By: Octo Firandi Bangun<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13239">https://doi.org/10.53625/ijss.v6i2.13239</a>                                                                                                                               | 791-796 |
| 21 | Optimization of Facilities and Infrastructure as a Strategy for the Development of MRT Jakarta Services<br>By: Ani Tjitra Handayani, Agus Erwansyah<br>DOI: <a href="https://doi.org/10.53625/ijss.v6i2.13263">https://doi.org/10.53625/ijss.v6i2.13263</a>                                                                                                                         | 797-812 |
